

## Nature Switch

LS220-WH1

Nature Switch (1 Unit)	
Model	LS220-WH1
Weight	126g

Specifications	
Line	Zero Line
Relay	16A magnetic latching relay
Operating Temperature	-5~45°C
Working Humidity	5~90%
Working Voltage/Current	AC 100-240V 50/60Hz
Power	Static power consumption<1.5W
Maximum Load	Single resistance load: 500W Inductive/capacitive load: 200W
Indicator Light	16 million colors

Appearance	
Colour	White glass + white frame
Dimensions	86*86*36mm
Material	Class V0 fire-retardant PC, glass

Wireless Communication	
Wireless communication protocol	CoSS
Wireless distance (open field)	200m

Compatible with Lifesmart Nature Mini
